

# HELMHOLTZ IMAGING ROADSHOW

Meet us at KIT!

23 June 2022

10 am – 11 am

plus following expert  
discussions

More info

## Get in touch

Helmholtz Imaging is coming to your center! Meet us at the "Imaging is worth 1000 miles"-Roadshow and join our information session. Get more information by scanning the QR-Code below! Learn about the variety of activities offered by Helmholtz Imaging. Be there and become part of it!

## Get funding

for your research on imaging methods, algorithms, software solutions!

Annual project calls for:

- cross-Helmholtz-center research
- cross-research-areas collaborations
- featuring society or industry

What to expect:

- up to €200k from the funding line
- scientific & technical support by the Helmholtz Imaging team
- preregistration for HIP workshops/trainings

## Get involved

Join the Community via

- Helmholtz Imaging Modalities – be part of the Imaging Network
- Helmholtz Imaging Collaborations – solving imaging challenges together

and meet at

- Helmholtz Imaging Conferences
- Summer and Winter Schools & Trainings
- Lecture Series
- Best Scientific Image Contest
- Hackathons
